# STSIVA2024

XXIV International Symposium on Signal Processing, Imaging, and Computer Vision

July 17th - 19th, 2024

## Call For Papers

### Conference Venue

Universidad de Pamplona, Pamplona, Colombia.

### Technical Areas

- Techniques and Applications of Signal Processing
- Image and Multidimensional Signal Processing
- Video Processing: Motion Estimation, Activities and Surveillance
- Computer Vision: 3D Reconstruction and Recognition
- Biomedical Signal and Image Processing
- DSP- and FPGA-based Applications
- Signals, Images, and Computer Vision in Education
- Voice, Audio, and Multimedia Processing
- Machine Learning for Signal Processing
- Signal Processing for communications
- Statistical Signal processing
- Quantum Signal Processing
- Signal processing theory and methods
- Signal and information processing over networks
- Computational Imaging

### Important Dates

Paper Submissions: ~~April 19th, 2024~~ **May 8th, 2024**

Paper Acceptance Notification: May 24th, 2024

Camera-ready Deadline: June 21th, 2024

Conference: July 17th - 19th, 2024

### Paper Submission

- We invite authors to submit high-quality full papers reporting original and novel research results on all above topics.
- Papers must be written in Spanish, Portuguese or English, unpublished and not submitted elsewhere.
- Full papers must be formatted as the standard IEEE double-column conference template and submitted exclusively using the link <https://stsiva2024.ieee.org.co/authors/>, or in the next QR
- **Maximum 5** pages are allowed for each paper, including all illustrations and references.
